## Plans Set For Youth Baseball Park

A request by the Belle Glade Junior Chamber of Commerce for land on which to build a youth baseball park was brought before the Belle Glade City Commission last Wednesday night.

The commission granted 5 acres of land to be leased to the

## Baseball Park

Belle Glade Youth Baseball Association and developed into a playing field and additional practice fields by the Jaycees. The commission also pledged any assistance that the city can be to help the Jaycees build the park.

Plans are to start work on the project as soon as paper work is completed. The park will be located between N. W. Ave. D and West Canal Street South or directly behind the city sewerage disposal plant. Plans are to have the park completed and ready for play next season.

## Week Of Burials

### Account For 17 Accident Victims

Seventeen of the bus accident victims were buried Tuesday. Two were buried Wednesday. The New Bethel Baptist church held services for Rosetta Pittman and Harry Jackson with burial at Port Mayaca.

There were services Thursday, the 21st, for Nancy and Timmy Lee Harvey, Rosa Lee Smith, Nathaniel Smith, and James Smith.

Triumph church held services Friday for the late Mrs. Charles C. Jones, wife of Mr. and Mrs. Wm. C. Jones, Port Mayaca.

Mr. Z. McArthur, church conducted services on Saturday with burial at Port Mayaca. DeJores and Jerome Jennings, Wm. C. Miller and Tommie Lee Sobb, Janie Iversen's family had her body moved to Albany, Ga. for burial. Tobe Ryle's wife and daughter, at Valdosta asked that his body be shipped home there, where a family home is owned. Five bodies were shipped to Sanford to the families.

Three were taken to West Palm Beach the day of accident. The aged father of one victim was found near Belle Glade but not having seen his son for several years, he took no action concerning the body.

## City Asks Site

### For Lake Shore

### Elementary School

The City, by resolution, has appealed to the School authorities and to the US Sugar for a site bordering the southern city limits and between Tenth and Twelfth Streets for additional classrooms to relieve the Lake Shore Elementary School.

The point out that land for school purposes is very scarce for this purpose.

## DEMOLAYS BOYS REMIND

### YOU TO DISPLAY YOUR FLAG MEMORIAL DAY

MAY 30 IN ACCORDANCE WITH THE NAT'L FLAG CODE

## Want To Join The SPCBHM?

In these days of alphabetized organizations, one has sprung up after another. The Society For The Prevention of Cruelty to Birds headed them.

## To Veterans Of All Wars

Again our nation has assembled to honor its heroic dead. A thousand battles of land and sea and air echo the glory of their valiant deeds.

Under the quiet sky, or beneath the murmuring waves, their bodies sleep in peace. But in the destinies of men, their souls go marching on. Because of them our lives are free. Because of them our nation lives.

They fought for us; for us they fell. Now with one accord, in deepest reverence, we do them honor. Let us not remember them in anguish; they would not wish our city. For their sakes also let us not forget the loved ones left behind. Our tears or words of sympathy cannot bring back the comfort of those loving hands or the music of those voices stilled. Only the solemn pride of having given more than all the rest is theirs who live to weep. But all the world, because of what they gave, is debtor to them.

Comrades, on this Memorial Day let us pledge ourselves anew to patriotic service. Let us make ourselves the friend and brother, son, and father, of those who will not see their own again in mortal flesh.

Let us grasp with fearless hands the flag so nobly borne before, and, like those others, plant it always on the battlements of righteousness.

All who stand with us today, will you not consecrate yourselves with us to emulate their sacred service that those who rest in heroes' graves may not have died in vain?

## City Asked To Preserve For Needs

### Old Community Club House In Park

Mrs. Gladys McDonald has asked the City to take steps to preserve the original Community Club House in the City Park for public needs.

The Commission has requested an estimate from the Building Inspector on the cost of this. Mrs. McDonald's request follows.

"After the 1928 hurricane demolished the little school house that was on the present site where our Community Club House is now, there was a great need for a place for meetings of the people of our community. A lot of people's clubs and the whole town sat together and started to do something about it."

"The Woman's Club gave a benefit dinner and raised one hundred dollars toward starting a new building. Everyone chipped in; some gave money, others, material, and some donated labor; and soon the building was going up. When money began to run out, Mr. and Mrs. C. E. Riedel gave more and soon the building was ready to use."

"Mrs. Bertha Riedel was our first Belle Glade Garden Club President. She passed away in 1947 and we have a garden dedicated to her in the park. It has been kept in bloom ever since for the pleasure and pride of everyone."

"The Garden Club and Woman's Club furnished the building and in 1943 they found that they could not get insurance on the building or furnishings, as a club. The Club House was given to the City for one dollar and other considerations."

"A Board of Control was organized consisting of members from the Woman's Club and two from the Garden Club and one member from the City, who usually was the Mayor. All monies collected were put in Everglades Federal Savings and Loan Association. The Woman's Club was to take care of furnishings and repairs and the Garden Club was to take care of the grounds and landscaping."

"When I started to work for the City, as Park Superintendent, in 1948 we decided that eventually we would need a larger building since our Public Library was also in the Club House, and growing. The rental from the Club House have been kept in a special fund since our new Civic Center was completed. I think there is a great need for the Community Club House. Its location would be ideal as a polling place for our city elections."

"Why I think this building should be preserved as a permanent landmark for Belle Glade people to enjoy and remember."

"The governor allowed the division of Lake Okechobee to become law by failing to veto House Bill 821. Although not entirely unexpected his action was extremely disappointing as it would mean the loss of the state's population voting against this bill, the governor eventually allowed the representative to veto only 20-0 of the people to influence him. I can only assume that he had some affect that the small county could pass some of his personal legislative program. His reason not to veto is extremely weak and is contrary to other bills he chose to veto."

I honestly feel the day will come when Governor Bryant will be reminded of this failure to veto an unjust bill.

As Friday draws near no one is sure if the session will end on May 31. With the tax program yet to be adopted the legislature could well extend itself, should be a stalemate occur.

Will you join the SPCBHM to aid in a campaign to urge action in ridding us of these pests, other than exterminating them and slitting their throats? It takes a lot of knives in a hands to kill a date in the combined pest population. Oh! my hairless head!

## 600-Plus Citizens Memorialize

### Disaster Victims Sunday

"For their courage to seek honest means of livelihood, regardless of limitations" Pastor J. B. Adams of St. John's First Baptist Church, referred to Scripture background, "This day shall be unto you for a memorial" (Exodus 12:14, in his Sunday service.

Mrs. E. W. Weaver of Lake Harbor, and a son Lloyd Schried-lauders join the wife, Mildred Schried of Lake Harbor as members of the immediate bereaved family.

Funeral services at the Community Methodist Church Thursday afternoon at 2 p. m. will be conducted by Pastor J. O. Jameson, with interment in the Glenview Cemetery in Clewiston.

Funeral arrangements are in charge of Pattison Funeral Home of Clewiston.

Recognition Night Monday, June 10, 8:00 p. m. - College Auditorium, Awards - by the Department of Education for past two years' work. Scholarships for future study, Class in Charge of Program; College graduates will play; Everyone invited.

Commencement Services Tuesday, June 11, 8:00 p. m. - Palm Beach High School Auditorium. Dr. Harry M. Philpott, Vice President, University of Florida, gives commencement address.

Dr. Harold C. Manor, College President, will confer degrees and present diplomas; Everyone invited.

Approximately 27 graduates (32 met requirements) it end of first semester, their diplomas are awarded in June, 238 candidates in June group.

"My bill would cut red tape involved in justifying business entertainment expenses," Congressman Rogers said, "and restore reasonable standards for these deductions as well."

"No one condones abuses in this area," he continued, "but it is my feeling that any legitimate business expense should be tax deductible if it is reasonable. Furthermore, the irritation of wasting time with excessive bookkeeping, whether it involves the business use of a boat or a quiet business lunch, seems unreasonable to me."

"America's business community is basically honest," Rogers concluded. "To assume otherwise shows a lack of faith in our free enterprise system."

After they have washed cars for the public for a fee, and some old car is "smashed" by the students, for a fee, the boys and girls want permission for the meal to extend into breakfast time around three A.M. before going home.

Get your good car down and let them wash it, for a fee; don't take an old one, for they've got to have one to "smash."

Reliable estimates agree that the more than 600 crowd was divided approximately two to one of colored and whites.

Trained ushers of the St. John's Baptist Church seated the audience expertly and women members alternated periods of watchfulness and attendance on the family group.

"Coincidence of this date's nearness to Memorial Day makes it most appropriate that the community take cognizance of this disaster each year; I hope all groups will indelibly include such a memorial," says Mayor Markham.

Graduation Dance Wednesday, June 9, 9:00-12:00 p. m. - Student Center. Senior Class in honor of graduates.

Baccalaureate Service Sunday, June 9, 4:00 p. m. - College Auditorium. Rev. Thomas L. Harrington, baccalaureate sermon. Instructor in Bible, Pastor of Grade United Presbyterian Church, will play by College Singers. Everyone invited.

Recognition Night Monday, June 10, 8:00 p. m. - College Auditorium, Awards - by the Department of Education for past two years' work. Scholarships for future study, Class in Charge of Program; College graduates will play; Everyone invited.

Commencement Services Tuesday, June 11, 8:00 p. m. - Palm Beach High School Auditorium. Dr. Harry M. Philpott, Vice President, University of Florida, gives commencement address.

"America's business community is basically honest," Rogers concluded. "To assume otherwise shows a lack of faith in our free enterprise system."

"The driver of the bus DELIBERATELY included the center of the road in his half."

"The Highway Patrol DELIBERATELY allowed the driver of the bus to operate for two years without a valid driver's license."

"The Patrol's statement is not admissible in any court; it pre-judges a manslaughter charge now before the courts; thus precludes impeachable evidence to support it."

Was the publishing of this confidential report deliberate? Well-intentioned men, in full possession of the facts, are of the opinion that 'critical' road conditions are the primary cause of the accident.

These remarks are DELIBERATE!

"The Highway Patrol might have said, with unimpeachable evidence to support it."

placed before the East and West Festival. The theme of lavender and white, the worthy advisor's colors were used in decorating and she chose as her theme for the year "My Task." She was presented an arm bouquet of lavender Fiji mums by Randy Davidson as she was escorted to the East. Her mother and father Mr. and Mrs. George Johnson were escorted to the East and seated to her left.

Miss Barbara Stone sang "My Task." A gavel was presented Miss Johnson by her parents and a gavel attached to her Rainbow pin, was presented from the assembly. The retiring worthy advisor, Billie Graber was given a charm bracelet with emblems of all stations held during her term from the assembly. The grand deputy gave her a white Bible and the mother advisor gave her a slipper charm for bracelet.

Refreshments were served by the worthy advisor's mother, Mrs. Johnson and also by mothers of the line officers. The table was decorated with an arrangement of silver chollis roses, purple statia and ivy, and a sheet cake centered with a china doll with a skirt in rainbow colors.

The assembly wishes to announce that the first and third Monday meetings have been changed to the second and fourth Mondays, June 10 and 24.

## G. S. Neighborhood Association Meets

Mrs. W. J. Miller, new chairman, of the Custard Apple Neighborhood Association, was hostess to the group at her home on N.W. Ave. D.

Mrs. Judy Peace, field director, West Palm Beach was present for the meeting. Announcement was made that camper ship were still available and forms were passed out. Waterfront regulations were discussed in reference to safety-wise.

Troop organization for each Troop present were completed as much as possible by Troop organizer, Mrs. Guy Wood.

Procedure for regular sponsors of Girl Scout Troop was emphasized and it was hoped each troop will secure a sponsor.

Final reports of each Girl Scout Troop were asked to be turned in after the last meeting day for the year.

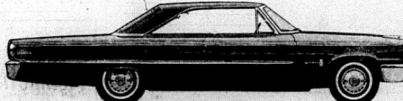

The Army's first Medal of Honor hero in WWI (awarded for an action on July Fourth, 1918) was Corporal Thomas E. Pope, Company E, 131st Infantry, 33d Division. Pope was an Illinois National Guardsman.

# W. S. C. S. Sponsors Fellowship Branch

A large number of guests attended the fellowship branch in the Church Parlor of Community Methodist Church, May 25, sponsored by the Woman's Society of Christian Service.

The room was beautifully decorated with palms and flowers, with a number of small tables conveniently placed for conversation and serving coffee.

This Branch had several purposes — getting better acquainted with all of the women who are members of the church, honoring new members of the Society, and presentation of Baby Memberships.

During the morning, Mrs. Robert Abel, President of the W. S. C. S., honored the following who have become members of the Society during the past year: Mrs. Alfred Bash, Miss Vida Hardee, Mrs. Virginia Williams, Mrs. James Prasure, Miss Julia Hampton, Mrs. Addie Durr, Mrs. Philip Dulany, Mrs. Sidney Wheeler, Mrs. A. R. Mimer, Mrs. Judy Thibout, Mrs. Glen Bair, Mrs. James Reaser, Mrs. Ann Westherton and Mrs. James McNeil.

Mrs. Abel also presented honor Baby Memberships to the mothers of these children: Eva Marie Crawford, Monica Gay, Judy Thibout, Mrs. Glen Bair, Mrs. James Reaser, Mrs. Ann Westherton and Mrs. James McNeil.

KATHLEEN LIVHINGTON, Church Editor

## It's An Educational Vacation For Crum Family

Miles P. Crum of Belle Glade is minister on the move. The Crum family will lead a delegation of 40 members of the Belle Glade congregation of Jehovah's Witnesses to 3 international conventions of the religious group scheduled for Yankee Stadium in New York, July 7 to 14 and at two other cities in the U. S.

Convention officials in New York have announced that 425,000 persons are expected to attend the eight-day gathering representing the Eastern United States, Canada, Central and South America and the Caribbean Islands.

It's Vacation Time  
Crum, turning to a dictionary at hand, said a vacation is defined as "being free from worldly duties of service; a period of rest and relaxation or a holiday. Nothing, he said, is further from the truth with our family."

"We plan our annual vacation around an outing for the family including travel," he said "but also on the agenda is attending a religious convention of Jehovah's Witnesses which is a regular part of our ministerial training program. This year our plans revolve around a trip to New York."

Crum said three conventions are planned in the United States this summer. In addition to the New York gathering, conventions are scheduled for Council Bluffs, Iowa, and Milwaukee, Wisconsin, June 30 to July 7 and September 1 to 8. Approximately 250,000 are expected to attend the three conventions.

"A total of 21 other assemblies are planned around the world," Crum said, "covering Europe, the Near East, Asia, Australia and the isles of the Pacific. These meetings are Bible Educational sessions designed to point out the responsibilities and obligations resting upon Christians in these critical times."

"Regardless of location, race or language," he said "these conventions will demonstrate the international unity of Jehovah's Witnesses and the need for true peace and unity in a divided, perplexed world."

Crum said the delegates from Belle Glade will be mixing business with pleasure but the emphasis will be on business. "The trips each year provide the children with an opportunity to see the country," he said, "and include many educational attractions and natural wonders. Excursions of this kind broaden the wisdom and understanding of the children, giving them depth and knowledge. The com-

vention program is for all members on the move. The family, especially designed to enrich our appreciation of spiritual things and make us more cognizant of our Christian duties of service."

Crum said the Belle Glade delegates will be traveling to New York by car. "There is no special selection of delegates," he said. "The invitation to attend is extended to all in the congregation. They respond because they appreciate the value of such meetings and adhere to a recent slogan which truthfully stated: 'The family that prays together, stays together.'"

The St. Elizabeth's Guild of St. John the Apostle Episcopal Church held their monthly meeting at the home of Mrs. Margaret Cann on Wednesday evening at 8 p. m. with Mrs. Lucille Arnold serving as co-hostess.

The meeting was called to order by Mrs. E. M. Lively, president, followed by the reading of the minutes and the Guild ladies reported the St. John's Ladies' report.

Peggy Shemaker, program chairman, introduced the program, which included Mrs. Thomas Bregger reporting as the local Guild delegate to the Episcopal Convention held last week at Miami Beach. Mrs. Bregger reported that the 282 Clergy in the Diocese were in attendance along with the three Bishops. She commented that the Women's Meditation hour was most impressive and each woman contributing to this hour was well informed. They brought out that each of us should be a living witness for Christ and home was a training place not only for children, but for parents as well, and every Christian woman should always be ready to help others.

The Rt. Rev. Henry I. Lubin, Bishop of South Florida, stressed the need for more colleges and schools in Florida and more homes for the aged, and strongly urged the need for more missionary work.

Following Mrs. Bregger's report, Mrs. Lively delivered a well prepared program on "Healing Prayer" followed by interesting discussion.

During the business meeting following the program, reports were given by project chairman and was announced that Fr. Lousing was continuing the Wednesday night discussion group in response to numerous requests. (These meetings are held on the 2nd and 4th Wednesday evenings of each month, following evening prayer.)

Since the Guild does not meet actively during the three summer months, it was decided that the first meeting of the fall, in September, would include a covered dish supper to be held in the Educational Building.

During the social hour, refreshments were enjoyed by fifteen Guild members and guest Mrs. Frank Wesley Jones, a new bride in our community.

**Church Of Christ Activities June 2-8**  
June 2 - 8  
Sunday Bible Classes - 10:00 a. m.  
Worship - 11:00 a. m.  
Class for Children - 7:30 p. m.  
Worship - 7:45 p. m.  
Wednesday Bible Study - 7:30 p. m.  
Thursday Young People's Class - 7:30 p. m.  
Saturday Radio Program - "The Truth Shall Make You Free" - 12:30 p. m.  
Television Program - "Know Your Bible" - Channel 12 1:30 p. m.  
Youth Meeting - 10th Ave. Church of Christ - Lake Worth - 8:15 to 4:00.  
Visit the Friendly Church of Christ - 123 N. W. Avenue D.

**Churches of Christ Scientist**  
The absolute stand of Christian Science against any form of hypnotism will be emphasized in the service this Sunday at the Church of Christ Scientist, Belle Glade.  
Subject of the Bible Lesson is: "Ancient and Modern Necromancy, Laid Merism and Hypnotism, Denounced." The readings will include this verse from Jeremiah (17:13): "O Lord the hope of Israel, all that forsake thee shall be ashamed and they that depart from me shall be written in the earth, because they have forsaken the Lord, the fountain of living waters."  
Related readings will include these lines: "In a world of sin and sensuality hastening to a greater development of power, I, as well earnestly to consider whether it is the human mind or the divine Mind which is ruling, dominating one" ("Science and Health with Key to the Scriptures" by Mark Baker Eddy, p. 32).

**Hospital Notes**  
May 21-27  
ADMISSIONS: Gerry Strong, Pinyo Torres, Marie McGeehe, Peggy Donald, Tommy Dean, Mike Sanchez, Steve Goodbread, William Frick, Harold Dean, David Gilbert, Jim Dye, Jean Morgan, Edna Shiver, Sebbie Herring, Gail Teale.  
REMAINING: Sephydel Wilson, John Carr, Edith Cope, Leonard Jeff Walker, John Gable, Arthur Nelson, Geraldine Manas, Harold Dean, Sebbie Gilbert, Sebbie Shiver, Sebbie Herring, Gail Teale.  
THOUGHT FOR THE DAY  
If I do not do the will of God, who will?  
A. Ray Neptune, Advertising (Oregon)

## THIS IS YOUR Air Force

**U.S. Air Force**

### Agriculturally Speaking

by **JOHN CAUSEY**  
Associate County Agent  
Glades Area

The season, as we refer to it, will soon be coming to a close for the 1962-63 vegetable plantings and growers will be busy repairing equipment and getting their land ready to plant another crop next year. Along with the end of the season comes the end of school and vacations, and to the Seniors in High School, graduation.

To these graduates we would like to devote this column. Never before in the history of man has agriculture offered such unlimited opportunity. Not only in Agricultural Production and Management but in Business, Industry, Education, Research, Specialized Services, Communications, Conservation and Recreation.

Agriculture is "big business" and it offers some of the most challenging career opportunities in America. Today's successful farm producer needs large amounts of capital and plenty of technical knowledge, knowledge of Engineering, Automation, Chemistry, Pathology, Entomology, Genetics, Nutrition and Economics.

Research in the total Agricultural industry needs more than 1500 new college graduates each year. The demand for teachers in Agricultural Science has never been greater. More than 2,000 new teachers enter positions in High School departments of vocational Agriculture, Agricultural Colleges and the Agricultural Extension Service. The vast operation of Agriculture also requires Engineers, Sci-

entists, Technologist, Production men and Salesmen. "Agriculture" is a team effort. The producer turns to industry for his machinery and equipment, fertilizers, pesticides and herbicides for which he spends about twenty five billion dollars a year. When crops are harvested and livestock is ready for market, Specialized Agricultural industries process, package and take the end products to consumers.

Agricultural graduates today will find opportunities in agricultural finance, insurance, transportation, storage, grading and sales. Banks, Insurance Companies, Public Utilities and food chains are examples of business firms hiring Agricultural College students.

Job opportunities within Florida's own agriculture are plentiful and varied. Florida produces citrus valued at an on-farm price of 335 million dollars annually. More than two million tons of vegetable and flowers and nursery products are produced in Florida each year. We can see evidence of all this right here in Belle Glade and spot friends and neighbors who have positions with this vast industry. So, Mr. Graduate, do not overlook the opportunity of an interesting career in agriculture. So often we can not see the forest for the trees."

New York's famous 42d (Rainbow) Infantry Division got its colorful nickname from General Douglas MacArthur who served as a member of the division in World War I. The 42d was composed of National Guard units from many States. Two of its WWI regiments, the 165th Infantry (New York) and the 187th Infantry (Alabama) had last seen each other's colors from opposite sides of the battle lines in eleven different actions in the Civil War from Bull Run to Appomattox.

# BOWLING

**Gladiettes League**  
Final team standings of the league for the 1962-63 season are as follows: Wallis Pharmacy 1st and one-half points for first place; Oyster Cattle Hauling 83 and one-half; Kirschman Co. 73 and one-half; Oysters 70 and one-half; high team set 2346; Wallis Ph. rolled 3rd high team game 800 and 2nd high team set 2303. Glades Music rolled 3rd high team set 2774 and Kirschman and Co. won 2nd place for high team game. Individual games and sets were won by Martha Brane 249-640; Bettye Bryson 246-607; Maxine Thrope 232-549; Evie Hill rolled a 225 game.

## WASHINGTON REPORT

**BY SENATOR SPESSARD HOLLAND**  
— All Floridians, indeed all Americans, should be intensely proud of Mercury Astronaut Gordon Cooper, his 22-orbit, 90,000-mile flight into space from Cape Canaveral last week was the longest ever made by any man from the free world. Daring from May 5, 1961, when Astronaut Alan Shepard rocketed into space for a short sub-orbital flight, "The Caps" has become internationally known and is truly the space capital of the free world. Apparently Gordon Cooper's achievement will conclude the Mercury Project, setting the stage for the Gemini program in which two men will orbit in a single capsule for perhaps two weeks.

Consistent with the high accomplishments of his predecessors, Cooper performed in the finest American tradition. His courage and skill triumphed over near disaster when an equipment failure compelled him to use manual rather than automatic controls for the re-entry. He was the first man in the open for all the world to see every step detailed by television, radio and the press. All American women, too, and all of us should remember with pride that the astronauts are smiling men and religious men with a woman and a home, patient and courageous, standing back of each of them.

**WHEAT REFERENDUM**  
— Last week, after vigorous debate, the Senate passed the "Feed Grain" bill over my strong opposition by a vote of 45-35. As stated in my newsletter, the real purpose in hurrying that bill to the floor for immediate passage was to help pass the new referendum on May 21. Instead of passing by the required vote of two thirds or more, the referendum failed to get the support of even half of the wheat farmers, of whom 1,218,000 voted, the largest number ever to vote on any farm program. I think this is a healthy indication.

**BIG MILITARY PRODUCE PURCHASE**  
— This week the Defense Department advised that its purchases of Florida produce during the 1963 buying season amounted to 21 million pounds having a dollar value of \$2.5 million. The produce was bought through the Defense Supply Agency's Belle Glade office and the items included citrus and citrus concentrates and a large variety of vegetables.

**MIAMI VISIT**  
— Last week I enjoyed a busy visiting schedule in Miami. Early Friday morning I visited the State Convention of the National Association of Postal Supervisors. Friday noon, as the guest of President James Brumby, I introduced Secretary of Commerce Luther Hodges, principal speaker at the Annual Banquet of the Dade County Chapter of the American Red Cross which was attended by over 800 of its active members who are making a splendid record of service. Saturday I accompanied Chairman Joe Boyd of the Metro Commission and other Commissioners on an inspection tour of the new Dodge Island Port which is rapidly taking shape and then was the guest of Rear Admiral J. J. Stephens at a visit to the Coast Guard establishment on Miami Beach and at Dinner Key Saturday afternoon I joined a

The league will hold its annual banquet Wednesday evening 8 p. m. at Palm Club Restaurant, at which time trophies and cash awards will be made.

**Glades Mixed League Tournament**  
May 24 - 26  
Evie Hill and Bill Hill came in first with 1281 set; Lucy and John Cameron were second with 1247 set; First place couple won trophy and prize money; Evie Hill came up with a nice set of 548.

The Scotch mixed doubles started here last Sunday was well received. It takes place Sunday at 3 p. m., 'til 7 and 7:30 'til 1.

**Mixed Up League**  
Astro-nets, Cutups and Sugar Wars are tied for first place with 6 points. Hi-Pockets are second with 5 points. The Tigers won high team game 686 and high team set 1958; Astro-nets next with 672-1849; Elliott and McLeod rolled third high team set 1842 and Cut-up's third high team game 637. Women winning individual games and sets were B. Bryson, 189, 515; Mona Piregar 171, M. Lumpkin 165; Lucy Cameron 463; Pat Barton 489; In the men's division Ted Allen rolled a 217 game and 547 set; John Cameron 215-553; Homer Frause 209; Curt Barton high set 562; B. Elliott 206; Slim Bryson 204; Dick Poston 202; J. L. Johnson 200.

**Summer Savings League**  
Three teams tied for first place in the first week of bowling. Badcock Furniture, Roman's Crop Dusting and Ev. Glades Federal Savings all have 4 points. High team game 734 and high team set 2101 was won by Badcock with Ev. Savings having second highest team set 1875. In individual play Buddie Little rolled 234-213 for high set of 594. Frank Anderson rolled a 204 and Wayne Betts had a 542 set.

## New Boating Law— Covers All Boats In All Waters All Officers' Duty To Enforce

The new boating safety law, sponsored by the Florida Boating Council and the Legislative Council, becomes effective July 1. Under the new law, the safety regulations apply to all vessels operating on the navigable waterways or inland lakes, ponds, streams or any other waters in Florida. Under the former law, the safety equipment and lighting requirements applied only to motorboats 16 feet or longer. Motorboats under 16 feet in length and boats propelled by means other than machinery were excluded from the state law, although subject to federal requirements.

Under the new state law, the Coast Guard requirements were spelled out in and in addition all boats are required to carry an anchor or paddle, an anchor and a rope of appropriate length.

The running lights required for operation of boats between sundown and sunrise also are spelled out in the new state law.

The new law places enforcement responsibility not only in the various sheriffs, but in the Florida Conservation Patrol, the wildlife officers of the State Game and Fresh Water Fish Commission and any other authorized law enforcement officers.

The new law also simplifies the procedure for reporting boating accidents causing personal injury or damage in excess of \$50 had to be reported to the sheriff of the county in which the accident occurred within 10 days. This often was inconvenient, particularly for those boaters from out of state or from another county. The new law provides that accidents involving damage to another vessel or dock in excess of \$25, capsize, sinkings or personal injury must be reported within

## Bowling Officially Recognized Sport

The mayor of Belle Glade, in an "Aw Shaw" at a raised strike occasionally; another member of the Commission makes his displeasure emphatic verbally—preachers' faces turned at what they might want to say; women youngsters jump in delight when "all uv em fall down"—that is in this BOWLING GAME. Mayor Markham has declared "Bowling Week" — May 27th through June 2nd — by official proclamation.

The Mayor says: "enjoyed — as much by the beginner as by the skilled — promoting closer family ties — a recreation that contributes to good health and sportsmanship."

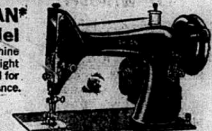

"Some bowlers find 'uncontrolled curves,' by the ball we mean, come under control with practice. Bowling has been known to lessen the belt line and otherwise make 'uncontrolled curves' blend harmoniously in proper places. "You must hit the head pin."

## To Speak At Presbyterian Church

Mr. Bill Crutchfield, assistant football coach of the University of Miami, will be the guest speaker at the Everglades Presbyterian Church Sunday at the 11 a. m. Worship Service. Mr. Crutchfield is an elder in the Riviera Presbyterian Church. He is especially interested in youth and has had a fine spiritual influence in the athletic field of the University of Miami.

He is now serving on the Presbyterian's Committee, both of the Men of the Church and the Committee of Youth Vocational Guidance.

He is a man who seeks to put Christianity in practice, not only in the Church but on the football field and in everyday living. We cordially invite the public and especially youth of the church and community to hear this man.

## Win Scholarships

Five Glades students out of 18 in Palm Beach County have won teacher scholarships given by the state of Florida.

The awards were the results of competitive examinations given last October and March of this year. Each of the students will be awarded \$400 per year for four years, and may attend any approved college or university in Florida.

The Glades students are Sally Ann Boland and Barbara Wolf Belle Glade; Amy Young, Canal Point; Pete A. Moody, Pahokee; and Virginia Crichtfield, South Bay.

## 17th Annual Recital For Frank Leo Mark

Pupils Here June 1

The West Palm Beach Studio of Music will present their 17th annual Recital at Belle Glade Community Center on Saturday, June 1, 1963.

Due to the large class it will be necessary to start at 7 p. m. sharp. The students will include Beginners, Intermediate and Advanced. The Studio is a very proud of their achievements over the years. Many of the students have won scholarships and have successfully entered other contests. The Studio has won a credit to the community in furnishing pianists and Organists for schools and churches.

We are proud to have had a part in making the standard of music in the Glades one to be envied in other communities. We are also proud of our beginners as well as our intermediate students, from which develop excellent pianists and organists.

The program will display the talents of the following:

- Sally Ann Boland — Greg Nocturne
- Susanne Chapman — Deep Purple
- DeRose — Autumn Leaves
- William Arr. — Flight of the Bumble Bee
- (Rimsky Korsakoff)
- Kathryn Smith — Malaqueus
- (Lecount)
- Sharon Motes — Un-Sos-Piro
- (Liszt)

## Rites Today 2:30

For E. L. Robinson

Earl Lee Robinson was born March 7, 1915 in Campsville, Florida. He was the eldest of three children. At an early age he moved with his family to Webster, Florida. There he spent his childhood days and attended public school.

He then ventured to Belle Glade and began his career as a barber.

On October 31, 1948, he was united in wedlock to Miss Mer-

cedes Dorothy Martin. Unto this union was born one son.

He was a devoted husband and father until he departed this life suddenly, May 23, 1963, at 10:25 in the evening.

He is survived by a devoted wife, Mrs. Mercedes Robinson, teacher at Lake Shore Elementary School; one son, Kenneth Earl; one brother, Damon Ro-

binson; one sister, Rose Brown and a host of sorrowing relatives and friends.

Funeral services will be conducted at 2:30 p. m. today at the Zion AME church with the Rev. H. M. Salmon, pastor officiating.

Burial will be in Port Mayaca Cemetery.

Taylor Funeral Home is in charge of arrangement.

## Cardinals Win 20-3 Still On The Top

The Belle Glade Cardinals held their grip on first place in the Inter-Glades Baseball League as they pounded Ritta 20-3. Second place Lake Harbor kept its close pursuit as they edged Salerno 9-6, and Sand Cut won their first league game with a 15-7 victory over Pahokee.

The Cardinals opened up a 5-0 gap in the first inning and made things easy for their pitchers as they drilled out 18 hits and

drew 15 walks while totaling their 20 runs. Willie Dukes started on the mound for the Cards and hurled four innings before Jr. Meadows took over for him with a 9-2 lead. Meadows held Ritta in check with his curve-ball style of pitching before giving way to Oliver Davis in the eighth inning leading 18-3.

Paul Simmons pitched Lake Harbor to a 9-6 win over Salerno earning his second victory against no defeats. Donnie Martin evened his record as 1-1 as he pitched the upset win over Pahokee. However, Johnny Reed and Ellis Hickman hit home runs for Pahokee.

Willie Robinson, Mack Bigelow, Clarence Robinson, Alvy Early and James Johnson drove in 13 runs and spanked out 9 of the Cardinals hits among them. Johnson brought home three runs with the game's only homer, a 340 foot smash to left center in the fourth inning.

The Cardinal infield also sparked in support of the pitching staff as it turned in three double plays: Johnson to Hudson to Bigelow; Johnson to Early to Davis; and Early to Davis to Morrell to start a twin-killing in the ninth inning the game was stopped and was replaced at second base by Marvin Davis, 8-year old son of Officer Davis as a gag to give a little humor to the crowd that witnessed the action.

Van Robertson spent the weekend with the Doss Tabb family in Clearwater.

Rev. and Mrs. J. O. Jameson spent Thursday and Friday in Wabasso and Sebastian also Roseland visiting relatives and friends.

Mrs. W. C. Prewitt and Benny were in Palm Beach Saturday on business.

Mrs. and Mrs. G. H. Pope spent the weekend at their place in Jensen Beach.

Leland Plank arrived home Friday for the summer vacation. He is a student at Troy State College, Troy, Ala.

Mrs. Harold Broadrick from Bartow spent the weekend with her mother Mrs. J. A. Henderson.

## Letters to the Editor

### Are School Busses Crowded Too?

Farris Bryant, Governor  
State of Florida  
Tallahassee, Florida

Dear Sir:

I am writing this letter because of the article in the evening Palm Beach Times in which you as Governor said, a labor bus with 42 people, built for 32 was overloaded. I also see where Dr. Karelas, Chairman of a Florida Commission on Rural Health stated "That bus was a traveling coffin."

I believe if you are going to look into the bus overcrowding situation you should also look into the overcrowding of our school buses. I wish to inform you that this is not overloading at all when you consider that all school buses both white and colored, buses that travel the Glades poor roads 5 days a week 8 months a year, are grossly overloaded daily. I have seen 60 students on buses built for 40 all year long and in peak periods as high as 70 students ride these same buses.

I have 4 children in school,

2 in South Bay Grade School and 2 in Belle Glade High, who ride from South of South Bay on U. S. 27 to school. They travel our worst and most traveled roads, along canals all the way from here (three miles south of South Bay) to Zywieck curve (also known as dead mans curve) on 27 and thence back to South Bay where they unload the Grade School children and pick up the High School students living in South Bay, then on to Belle Glade over State Road 80 which in this area is very bad. Mornings there are two buses, while evenings there is only one making the overcrowding double.

This is almost the end of this school term so nothing can be done now but please God, this situation should be corrected before another school year begins and instead of a labor bus with 42 abroad, it is one of our most desperate situations and I hope this will open your eyes to one of our most desperate situations and lead to correction of same in the near future.

Sincerely,  
Mrs. Charles Mansfield

- ACTUALLY MAKES WATER WETTER!

XTender! is a Surface Active Agent to be used with all Translocation type Herbicides such as 2,4-D, 2,4,5-T, Dalapon, Karmex and Telvar. By reducing the interfacial tension and solubilizing oil like and wax like substances in the plant XTender; increases the effectiveness of herbicides and often allows less material to be used for control of grasses and weeds.

## SCHOOL'S OUT

These boys are in a vacation world of their own — little realizing that they are walking on the wrong side of the road. One wrong step put them directly in the path of your car.

This places a great deal of moral responsibility on your shoulders, Mr. Motorist.

Shell Oil Company's Traffic Safety Center, says "Youngsters are no longer restricted to posted school zones — look for them to do the unexpected at any hour of the day."

## Youth Camp—

### Open To 180 Boys And 75 Girls For 2 Weeks Summer Sessions

A total of 180 boys and 75 girls are needed at the Youth Conservation Camp on Lake Eaton in the Ocala National Forest. There are vacancies open in four two-week camping sessions beginning June 23.

Camp vacancies are as follows: Boys 9 through 12, June 23, July 6, 30 vacancies; boys 11 through 14, July 7-20, 75 vacancies; boys 8 through 11, July 21-August 3, 75 vacancies; girls 9 through 13, August 4-17, 75 vacancies. Camping fees are \$55 for the two-week sessions. The Youth Conservation Camp provides a summer training program for Florida's youth in conservation, hunting and fishing. The 1963 camping program includes a stepped up program of activity in other fields of outdoor recreation such as camping and camp craft, field archery, firearms safety and boating. Greater emphasis is being placed on fish and fishing during this camping season. The Youth Conservation Camp is operated by the Game and Fresh Water Fish Commission and is a part of the Commission's conservation education program.

## UNCLE DAN from DOOLIE says:

Dear Mister Editor:  
My cousin Hiram mailed me a clipping last week explaining all about the new Kennedy budget that the Congress is debating. This piece tells everything in detail, four-square and gospel clear, it's the first time I've known for certain what was heads and what was tails in this matter.  
Hiram is a backwoods Republican, but the man doing the explaining in this piece is a White House expert named Walter Heller and I feel pretty sure he is a Harvard Democrat, so this balances off the piece and makes it non-partisan and a authority on the subject.  
He says our 8 billion dollar debt in 1962 was bad, in fact it was so bad he calls it a "deficit of weakness." And the reason he says it was bad is on account of it was a mistake that the Government planned a surplus in 1962 and anything the Government didn't plan is bad. But he explains that by increasing the debt in 1963 what we got is a "deficit of strength" on account of hiking spending and cutting taxes and the Government planning it that way. He says anything the Government plans is good. Furthermore, he explains that with a 8 billion dollar deficit many factories and workmen is idle, but with a "deficit of strength" they would be put to work.  
I was explaining these matters to the fellows at the country store Saturday night and Ed Doolittle allowed as how everything was now crystal clear to him. Ed said we couldn't get this country moving ahead by just borrowing the same amount every year, if we borrowed 8 billion last year, 10 billion sound like a pretty reasonable figure to him for 1963. Ed is all for progress, Mister Editor.  
Zeke Grubb reported he ain't got around to working on the Kennedy budget yet, said all his time has been took up lately trying to figure out a item in one of his pamphlets from the U. S. Department of Agriculture. Zeke had the item in his pocket and he got it out and read it to the fellows.  
The Department of Agriculture is advising how four can live cheaper than one. They got it figured, according to this item, that if a family buys in big amounts, a man and his old lady and two youngsters can eat for 5 per cent less than three, 10 percent less than two, and a full 20 per cent cheaper than one.  
These experts claims a small family can't take advantage of big quantity prices on account of they got caught with too much spoilage and left-overs. Clem Webster said this was very valuable information and that he aimed to start the new system right away. He figured he'd fall in about the 8 per cent class on account of his old lady was a little heavy on the eating. But he reported the spoilage and left-overs wouldn't be no problem, he'd just give 'em to the hogs.  
Your truly,  
Uncle Dan

## Need Any information On Anything?

It requires a 104-page catalogue to list all the pamphlets, books and bulletins available from the U. S. Department of Agriculture.

Some recently noted requests for information.  
"Please forward any information you have concerning the propagation of the turkey. Does the goose have anything to do with it?"  
"Could you send me information on the conservation of extinct plants and animals?"  
"I am interested in a booklet on buying a tombstone."  
"please send me any material about anything!"  
My own office (Dorle Conner) also gets a large number of unusual requests in the mail during the year. Here are two that

## Civitan Club Awards Baseball Trophies

The Belle Glade Civitan Club awarded trophies to the Rams Baseball Team, and coach in recognition of their fine play this year. Presentation of the trophies was made at assembly at the Belle Glade High School, 1-1 D. W. Fisher, Lt. Governor-elect Zone 5, looks on as Ed Hart, Civitan member who conceived the idea of making the awards, presents the trophy to Coach Luke Thornton. Charles Thompson was awarded for most improved player; Bootsey Westheiser, highest batting average .524; Tony Latour, best all around player.

The team was also entertained at a regular luncheon meeting of the Civitans at Ray's Smokehouse, South Bay. This presentation was sponsored by the Civitans in their program of citizenship building.

## Chapeau Shedder

### Sought

Mrs. Carl Hill reports that a man's brown hat with a small red feather was left in the gymnasium after the senior class play. If anyone is missing such an article, he may claim same by calling Mrs. Hill and describing it. We'd hate for anyone to get a sun-burned head.

## Dear Diary

Dear Diary,  
Graduation is soon to come and I'm so nervous now I can't eat. I fainted twice going to the water fountain because I'm so weak. We had an English test today on diagramming. I learned "there" can never be a subject after I had used it that way on seven of my sentences. We had eight sentences to diagram.

Dear Diary,  
EVERYWHERE I've even found posters in the rest rooms. The candidates do not give anyone any privacy now. Oh, well, that's the price of fame.

Dear Diary,  
I can hardly talk I've been crying so much. In the assembly today the juniors took the places of the seniors. I've never seen so many tears flowing at one time. Sally was still crying when she trotted into the classroom. Well, we're only human.

Dear Diary,  
My life is ruined. Someone has taken my little cards that were to go in my announcement. It looks as though nobody will know I'm going to graduate.

Dear Diary,  
This morning I received word through the grape vine I'm on my way to business school. I was doing fine. "What do you think of school?" I inquired next.

"I ain't believe it!" she said with a twinkle in her dancing brown eyes.

"What?" I blurted dumbly. "I ain't believe it!" she said with a twinkle in her dancing brown eyes.

"What?" I blurted dumbly. "I ain't believe it!" she said with a twinkle in her dancing brown eyes.

"What?" I blurted dumbly. "I ain't believe it!" she said with a twinkle in her dancing brown eyes.

"What?" I blurted dumbly. "I ain't believe it!" she said with a twinkle in her dancing brown eyes.

"What?" I blurted dumbly. "I ain't believe it!" she said with a twinkle in her dancing brown eyes.

"What?" I blurted dumbly. "I ain't believe it!" she said with a twinkle in her dancing brown eyes.

"What?" I blurted dumbly. "I ain't believe it!" she said with a twinkle in her dancing brown eyes.

"What?" I blurted dumbly. "I ain't believe it!" she said with a twinkle in her dancing brown eyes.

"What?" I blurted dumbly. "I ain't believe it!" she said with a twinkle in her dancing brown eyes.

## Student Of Week

I was like, I was supposed to interview the Student of the Week, and I hurried to room 14. There she had promised to meet me. As I entered the room, she shot a nonchalant smile in my direction and gave a friendly "Hi" with a loss of her bougie brunette hair.

I excused myself for being late, and with pad in hand began my interview. I started with the first question that came into my mind: "What are some of the things you like?"

"I don't know," she replied. "What do you like?" I asked. This was my first interview. I was determined not to try.

I wrote down her name on my paper: Cecelia Mathis. My friends call me Cecelia, or just plain "Cec" for short," she insisted.

"Oh," I said. A few minutes time, I succeeded in finding out that Cecelia is a member of the F. H. C. in one of the varsity cheerleaders. In addition, her "likes" include football, Chevy convertibles, a song entitled "It's My Party," history class, and the color blue. I also discovered that her interests are many and varied. "My favorite book is 'To Kill a Mockingbird' and I suppose that the best movie I've ever seen was 'Gone With the Wind'."

I was doing fine. "What do you think of school?" I inquired next. "I ain't believe it!" she said with a twinkle in her dancing brown eyes.

"What?" I blurted dumbly. "I ain't believe it!" she said with a twinkle in her dancing brown eyes.

"What?" I blurted dumbly. "I ain't believe it!" she said with a twinkle in her dancing brown eyes.

"What?" I blurted dumbly. "I ain't believe it!" she said with a twinkle in her dancing brown eyes.

"What?" I blurted dumbly. "I ain't believe it!" she said with a twinkle in her dancing brown eyes.

"What?" I blurted dumbly. "I ain't believe it!" she said with a twinkle in her dancing brown eyes.

## Beta Club Holds

### Final Meeting

The Belle Glade High School Beta Club held its final meeting for the 1952-53 school year last Wednesday morning. President Wayne Wood called the meeting to order.

The new officers for the next school year were elected by secret ballot. They are as follows: Charles Thompson, president; Ron Hallbrook, Vice President; Lynda Long, secretary; and Evelyn Harris, treasurer.

Wayne made a brief farewell talk and expressed his hopes that the club would continue its good work and that the new officers would take their positions seriously and do their best to make the Beta Club a better organization than it has ever been before.

The following parents were presented as the new officers for the Beta Parents Association: Mrs. Lee Beryn, secretary; Mrs. Fred White, treasurer; Mrs. Mary Beth Rogers, president.

When Mr. Holard commented on how good the band was, Mr. Stevens agreed wholeheartedly by saying "The best band he has ever conducted."

Awards were presented to all members. The first year members received letters and stencils. Second through sixth year members received a stinger.

## Walker Wins Council Presidency

### Teacher Of Week

Neil Walker, bronze-haired member of the class of '54, successfully defeated his opponents in the race for Student Council president for the year 1953-54. In the school-wide elections held May 23 and 24, officers were elected for all four of the Student Council offices.

The elections were the culmination of a week and a half of campaigning on the part of the candidates. The campus was arrayed with dozens of multi-colored posters and banners, and most of the students themselves were decorated with a number of campaign cards pinned to them. The highlight of the campaign came in the assembly held Wednesday, May 22 when the candidates delivered their speeches to the student body. The candidates offered their proposals and promises to the enthusiastic assembly and did their best to swing a few votes in their own direction.

The following day the balloting was held in the home rooms. The run-offs were then held on Friday, followed by the announcement of the winners.

In the presidential race, Neil Walker placed candidates John Causey and Ron Hallbrook. John successfully reached the run-off election, but was defeated by Neil in the final balloting.

In the other races, Mickey McKee beat out classmate John Sheahan for the vice presidency; Susanne Wierenga edged out Marilyn Babin for the secretary slot; and Larry Bowen won the post of treasurer over Jr. or Evelyn Harris and fellow sophomore George Towell, who also was in the run-offs.

The newly elected council president, Mike Beryn, congratulated the winners on their achievement and commented "I think we have selected a fine slate of officers, and I personally hope that each of them will do his utmost to fulfill his obligations. I sincerely hope that the Student Council will be successful in the years to come, and that the many new proposals and ideas the new officers have brought forth will be carried out successfully next year."

One can wish only the best for their friend; to those who enter colleges or other job training, success; to those who enter the armed forces, peace; to those who take the holy vows of matrimony, happiness.

It is almost time to say goodbye. But not forever. The world may be large, but friendship is bigger. Remember humility and faith in God. These are the factors in this new life. A gain, good-bye seniors—no, good-bye friends. A toast to those who will uphold the class of '53. May God bless them and may they strive for all they are for.

## Enrichment Prog.

### June 14-July 26

Summer Enrichment courses at Belle Glade High School will be held from Friday, June 14 to July 26, but classes will not be held July 1 and 2.

Summer typing classes will be taught by Mr. Ben Painter. The course will be held from 11:30 a. m. to 1:00 p. m. on Mondays, Wednesdays, and Fridays.

Mr. Riley Foster will be teaching the science course and everyone taking this course must have a science project similar to a science fair project. All those interested in this course turn your name in to Miss Rogers.

In the music summer enrichment program emphasis will be placed on individual progress. Individual lessons, small ensembles and dance band will be available as well as classes in music conducting and music theory. Classes will begin at 1:30 a. m. and continue until 3:30 p. m. on weekdays. Registration is June 14th. Watermelon cuttings and swimming parties will provide diversionary activities. Mr. Fred Stevens, the band director, will be in charge of "revving this course."

Mr. Ward will be teaching the summer industrial arts program. Drivers Education will be taught by Mr. Bill Burke. Students taking this course during the summer will not take it during a regular semester.

## Cooldest Of Week

MOVIE — "Dr. No"  
BOOK — "The Way of Zen"  
MAGAZINE — "Harpers"  
SONG — "Sukie"  
CLASS — 4th period Business

CLUB — Pep Club  
T. V. PROGRAM — "Today"  
EXPRESSION — "I think I'm in love!"  
FAD — Spring Fever  
BEST DRESSED BOY — Ray Couper  
BEST DRESSED GIRL — Robin Thomas

BEST DRESSED TEACHER — Miss Hardee  
BOYS' HAIR — Bob Blakeley  
GIRLS' HAIR — Freda Lee  
COUPLE — Rafael Aleman and Becky Blakeley  
CAT OF THE WEEK — Jimmy Jackson  
CHICK OF THE WEEK — Linda Miller

### Graduation, Any Year

Farrell Kaufman

With graduation growing near, the days won't be the same. Their merry voices we'll always hear. Never losing its flame.

Graduation night is here. And I truly can't believe the seniors walking through the year.

Now prepare to leave. Yes, the day is very happy. And I see some tears of joy. But their walk is not so snappy. For every girl and boy.

They walk so solemnly down the aisle. Their robes so starched and neat. They walk in such a hazy style. Then they take their seat.

As they're called up to the front. Their diplomas they receive. They're hardly able to confront. With the fact they're about to leave.

Now exercises are over. And in the dim light of the hall. But in the stand of the cover. They barely talk at all.

They're just beginning in some respects. To start their lines unknown. They look to all their prospects. For now they're on their own.

## Final Exams

The seniors of '53 began their final studying period yesterday. They have had their final exams Friday, following Memorial Day. Grades 9-11 will be released the following Monday, Tuesday and Wednesday.

Make up tests will be given Thursday morning in the hall. Students who achieve what is expected of them, and what classes should strive for, will be burning some midnight oil.

Students who achieve what is expected of them, and what classes should strive for, will be burning some midnight oil.

## Editorials

### A Point Of View

#### A Tribute To The "Big Men"

Wayne Wood

The "Big Men" have done it again. Thank you very much, sirs.

First, you sent us Edward R. Murrow, who successfully smeared Belle Glade much on the TV screens of millions of Americans. Next, we had Charlie Peet, as sports-writer of dubious achievement, who wrote Beach Post-Times, who took numerous photos at the Glades' athletic teams during the earlier part of the year; he did, that is, until the "farm boys" plowed under several of the big-city football teams. At least we could laugh that one off.

And now, finally, you have sent us another Champion of Society: Lee Winfrey of The Miami Herald. Again, thank you.

In the Sunday May 26 edition of the Miami Herald, Mr. Winfrey devoted one half page of "Section B" to telling us all about Belle Glade. Be sure to read it if you missed it — it's a gasser!

Mr. Winfrey, as did his panoplistic, executive-type predecessors who were blessed with the gift of coming from a town conveniently large distance away and summarizing our problems, for us, depicted our town as "a rough-been town, full of hard work and heavy heat." He gave, as an example, of Belle Glade, a sign in a local restaurant that reads, "To be served, gentlemen please wear your shirts."

In addition, he explained that the Negro and White communities of Belle Glade are SHARPLY DIVIDED since the labor bus disaster of last week. This sharp division, I imagine, accounts for the large crowd of both Negroes And Whites who attended the memorial service Sunday. Also, he skillfully observed how the Negro "camp of opinion" was maintaining the bus driver's innocence in the accident, while the White community had "rallied unanimously" to the defense of the truck driver, who is being charged with manslaughter.

I'm afraid that Mr. Winfrey will have to strike out the word "unanimously," for he lacks at least one vote—mine. I am not going to condemn or acquit anyone until they have been justly tried and convicted, or declared innocent; that's the American way. Remember? I sneakingly suspect that few other citizens of this "rough-been" town agree with me.

Belle Glade has its problems, to be certain. But it is quite unnecessary for The Big Wheels from the Big City to come rolling in and make our problem worse. At least we are WORKING to improve our situation. We have enough trouble growing crops on our mud without it being tilted by the journalistic rake of you Big Men.

And by the way, I sent The Miami Herald a thank-you note for our excellent coverage by Mr. Winfrey. I don't think I'll be the only one, either.

### The Tennis Menace

The school board has built two new tennis courts at the junior high and elementary school grounds. However, they are equipped only with basketball hoops—no tennis facilities. It would seem that, with the overcrowded condition of the municipal tennis courts, the cost to go ahead and put in tennis nets would be very small in comparison with the initial investment. Summer is coming, and recreational facilities will be in great demand; it's a shame to waste them.

### A Final Word

It is a shame that the wheat farmers of this country have not stood up enough to vote for Adlai Stevenson in the last presidential referendum. May's somebody—by the way, happy birthday, President Kennedy—they will be wise enough to let the government do their thinking for them.

## In Our Back Yard

### By Petra Ebangi

Pahokee, South Bay, Canal Point, Clewiston—these are all other towns. They have banks, post offices, court houses and jails. They like all other towns, boast schools and parks, libraries and little leagues. They like all other towns, breed corruption and delinquency in both juvenile and adult. Young people and the trouble, little things, the way they are, is worth while cause to look into.

Teenagers, with no respect for property or person, continually find "tricks" to "play" Tuesday as a youthful spirit or mischief in some of this. They smoke, drink, and play cards, and have a false public property. If they are allowed and even permitted to come some of the bold things shown to look into the better look at them. But the force has officers who see to their duty when they see a crime committed. So much is owed to them but all they get is either a deep freeze treatment or a "Still it — here come the fuzz?" Respect? No. It is just ignorance.

Idleness forms many gangs. Boys and girls who have nothing to do will surely find something somewhere. If responsible and sensible adults could begin a project of some kind, it could lead to a long run, to hoe to get through to the fast moving minds of this generation of young youngsters might rub the new adults interest and it is worth it. What can one do with these young adults? It takes years of growing up which an adult has acquired. Seeing that is a teenager one himself will give him an advantage. He pulled through the years with insecurity and growing pains. All he has to do now is help pull someone else through.

Belle Glade can be proud of its younger set. Not only because of the partially shown by the adults world. Some fall by the wayside or go off on the wrong foot, but if they are shown the right way, they come home again.

In our back yard there is hope and where there is hope—there is a future.

## The Gossiping Gandy

### There is only one more week

of school left! Everyone's already planning their vacations and getting ready for them. Speaking of school, though, a lot of juniors have been getting a good year's start on their spring painting. Sharon M. and Barbara C. consider the signs on the road to the bowling alleys their masterpiece.

Several people made trips last Saturday to the "Big City." West Palm. Didn't it just Judy C. Darlene D., Charles W., Maria C., Judy S., and Franci H. there? Oh, yes! While we're on the subject of trips, I hear that Van R. went to Clearwater last weekend to go to a groom.

Alice R. and Eleanor C. are two of the local theater's best. Didn't they go three nights in a row? What's the attraction, girls? I hear that Tyrone L. and Thomas M. were at the show Sunday.

The beach is drawing its regular number of sun and fun seeking visitors. One look at Freda L. and Gail M. will show you what I mean.

After several weekends of hard work by most of them, approximately forty-five seniors will soon be on their way to Bimini. This trip, to be sure, has been much looked forward to.

## Life With DUDLEY DONAHUE

There seems to be a great jumble in the math and science departments at school. The trouble stems from a practice instituted by math teacher Mr. Bowers, who freely renders his students with a device affectionately known as a "tadpole."

A "tadpole" is a marvelous little symbol that in inscribed beside a student's name in the roll book to denote that student's ineptitude in maintaining proper conduct. A number of such "tadpoles" insures the detention of a student's grade. One day last week, Mr. Groover, our chemistry and physics teacher, took the matter to heart and declared the practice inhumane treating poor little baby frogs in such a manner!

And so, the alleged argument continues. Perhaps next the English department will step in and assert that the word "tadpole" may only be used as an object modifier or as a gerundive modifier or something like that. Or perhaps the Home Ec. Dept. will declare that "tadpole" is a cooking term. I am sure that the student's grade will be deleted from our curriculum. I don't know.

Bimini. This trip, to be sure, has been much looked forward to.
